New Construction

Facilities - Purpose

The Raymond Central Public Schools Board of Education intends to provide proper school facilities. Decisions regarding such facilities will be guided by the following principles:

1. Facilities will be constructed to a systematic multi-year plan developed to support the district's educational programs.
2. Facilities will be designed to satisfy instructional goals.
3. Facilities will be constructed for long-term occupancy and low maintenance costs.
4. Facilities will be designed with community use in mind.
5. Facilities will be designed in accordance with contemporary engineering technology and architectural practice.

Date of Adoption: May 18, 2009

New Construction

Facilities - Planning

The purpose of planning is to make the best possible provisions for the educational program. Decisions regarding planning and specifics for any individual building plan will start with program considerations and be adjusted as educational programs change.

Date of Adoption: May 18, 2009

New Construction

Facilities - Guidelines for Building New Schools or Remodeling Existing Schools

Education specifications including program and space requirements are to be developed by committees of teachers, patrons and administrators who meet with architects and engineers. Upon completion, the specifications and schematic building plans shall be presented to the Board of Education for approval.

Date of Adoption: May 18, 2009

New ConstructionFacilities - Remodeling

A plan for future building modifications shall be maintained and continuously updated for inclusion in planning for construction. These planning elements shall be followed:

1. Superintendent shall submit requests for building modifications as needed.
2. Superintendent requests for building modifications shall be considered in terms of priorities.
3. Safety and health of students and staff will be considered when remodeling is undertaken.
4. Priorities have been established by the Board of Education when considering remodeling project needs.
  - a. Correction of safety and health deficiencies
  - b. Housing of students
  - c. Projects must meet program requirements, including outdoor space
  - d. Projects needed to maintain the integrity of current Raymond Central Public Schools' buildings
  - e. Repair/renovation of ancillary facilities
  - f. Parking
  - g. Security

Major remodeling may follow the same procedure as new construction but there are also alternate provisions for that work which can be done without architectural services.

Date of Adoption: May 18, 2009

New Construction

Facilities - Selection of Architect/Engineer

Architects and/or Engineers will be selected based on the recommendations of the Superintendent. The selection will be approved by the Board of Education.
