

Hello Parent/Guardian:

This letter is meant to provide directions to access and navigate your **PowerSchool Parent Access Account**. Every student in our district has at least one parent/guardian account assigned to their PowerSchool accounts. This account can be accessed and used to see information related to your student's experience here at Raymond Central. Some of the information that you can access includes your students grades (more for the MS/HS), fee balances, and forms that need to be completed. The information in your PowerSchool account is also what we use to populate our BrightArrow communication and alert system.

With the use of the electronic forms, it is our desire to make sure that every student has at least one parent that is accessing and using the information in the parent account on a regular basis.

Right now we have a few forms that are available for you to fill out for your student(s):

**The beginning of the year forms (Forms A-L, X, Z)** are still available if you have not had a chance to fill those out. They will be filled out at the beginning of every year to update Demographic information, Health Information, as well as grant permissions and give agreements to our district documents and policies.

**The Counselor Permission form (M)** is open and needs to be filled out for our elementary school counselors to meet with your student(s).

**The Student Directory form** is used to populate the PTO created directory. We must have your permission for your information to be included.

**The Raymond Central Learning Preferences Form 21-22** is information that the Nebraska Department of Education asks us to provide each year for state reporting. The information is used so that we can apply for grants that will benefit our students in regards to the internet, devices and overall access to programs and services.

**The first step in the process will be to make sure that you can access your parent account.**

Please go to our website: [www.rcentral.org](http://www.rcentral.org) and click on the  **PowerSchool** icon that will take you to the portal to login. If you do not know your information to login, you may attempt the password reset button with your email address or you may email: Steve Rose: [srose@rcentral.org](mailto:srose@rcentral.org) to have your account information updated and reset.

Once logged into the PowerSchool Portal, your options for accessing Fees, Grades, and Forms can be found on the left hand side of the page.
