

## RAYMOND CENTRAL PUBLIC SCHOOLS CENSUS FORM

To: Residents of Raymond Central School District

The Nebraska Department of Education mandates a census of all residents be taken and reported yearly. Nebraska is a Land Grant State where certain acres were originally set aside for the "support of the common schools." The School District Census Report provides the Department of Education with a count of children ages 5-18 that reside in a school district. This information is used in the calculation of state and county funding sources which is distributed to school districts. The few minutes it takes to complete your census form generates additional dollars for Raymond Central Schools.

Lynn Johnson, Superintendent, Raymond Central Public Schools
