

## Welcome to Raymond Central Public Schools!

The staff of Raymond Central Public Schools looks forward to having your child in next fall's Kindergarten class and to the beginning of a partnership in the education of your child!

We recognize you, the parent, as the first and most important educator of your child. We will welcome the opportunity to share the joy and excitement of your child's first days of school.

The information in this packet contains all the paperwork needed for registration. By completing this information and turning it in promptly you will be able to complete the registration process and therefore allow your child to be ready for the first days of school.

- Birth Certificate - A Certified copy of your child's birth certificate in order to verify the child's age. We can take this to the office and have a copy made. A Certified copy of the birth certificate has an embossed, raised seal in the upper right hand corner.
- New Student Information Sheet - Please fill out completely as this information goes into the permanent record folder.
- Raymond Central Public Schools Census Form - Please complete this as it applies to your family.
- Bus Information Sheet - Please fill out even if you do not require this service.
- Physical Examination Form - A must for all students entering Kindergarten. Please return to school as soon as possible.
- Immunization Record Sheet - Please fill out and return to school.
- Dental Form - To be signed by your dentist and returned to school.
- Professional Vision Report - State law requires a vision evaluation for school children.

We will give out complete Parent/Student Handbooks at the start of the school year as we plan to revise these during the summer.

Milk, snack, breakfast and lunch information and forms will be sent home the first week of school.
