- Intervention (1): Raymond Central is committed to working together to achieve our collective purpose of learning for all students. Staff will cultivate a collaborative culture through the continued development of high performing teams, Professional Learning Communities (PLCs).
 - To achieve this, teams will meet on a regular basis clarifying what students must learn, gathering evidence of student learning, analyzing evidence, identifying the most effective instructional strategies and practices, increasing the instructional capacity of all team members while working to achieve their SMART goals.
- Intervention (2): Teachers will use lesson design, GANAG (Goal setting, Access to prior knowledge, New information, Application, Goal Review) as the district instructional framework.
- Intervention (3): The School Improvement Team will work to develop meaningful, personalized professional development opportunities targeting individual and team growth.
- Intervention (4): Raymond Central will develop a Multi-Tiered System of Support (MTSS) for both academic and behavioral student needs. PBIS (Positive

Behavioral Intervention and Supports will be implemented to provide a system of prevention, noting early identification and intervention. The goal of MTSS is to ensure success for ALL students.
