

Employee Fundraising

Any employee who directly or indirectly seeks to use their position as a District employee to fundraise (such as through a crowd funding initiative) must obtain prior approval from the Superintendent or Superintendent's designee before taking any action to fundraise.

An employee who receives permission to fundraise shall abide by the following requirements:

- a. The employee shall inform the Superintendent or Superintendent's designee of any content (including online messages or requests) that the employee intends to publish.
- b. The employee shall not violate any District policy, rule or law in any fundraising efforts and shall keep all student information confidential.
- c. The employee must account for any money raised through the approved fundraising effort and shall provide evidence to the Superintendent or Superintendent's designee as to how the money was spent.

District employees who engage in fundraising efforts in their private capacities need not abide by this policy.
