

Staff Payments During Closure

In the event of inclement weather, a pandemic, or other unexpected or extraordinary circumstances, the Board of Education or the Superintendent may close school or a particular school building in order to protect staff and students from harm, and will establish a reopen date when it is safe to return. If such closure extends for a long period of time as determined by the Superintendent, then the Superintendent may implement procedures, agreements, or other requirements to compensate staff during a closure to ensure staff return to employment after the closure. The District may consistently pay staff according to District policies and procedures already established by salaries or wages.
