

The Raymond Central Athletic Booster Club is looking for support for our sports programs for the fast-approaching 2022-2023 school year. We are an organization of parents, grandparents, coaches, administration, and members of the RC Community who support the athletic programs and athletes of Raymond Central. *Reserve your ad space today!*

Your ad will be featured in our large athletic wall calendar and our sporting events programs. The wall calendars list all sport schedules for the year and are distributed to students, staff, families and local businesses. The programs are given out at every home sporting event.
